These trucks appear one at a time, and if you ignore clicking on them, you can stack up to 4 of them. Based on your profitability, these trucks will immediately provide huge amounts of cash to help you complete all the upgrades you constantly need. Make sure to develop a habit of rolling over the supermarket wall from time to time to check these trucks. Clicking on each truck may be the best practice, but in any case, just make sure they don't pile up to the limit of 4, because once they pile up, no new trucks will appear, which actually means missing out on profits. Once you earn enough cash to build a larger supermarket, you may be prompted to build a new supermarket in a different location and sell the previous supermarket. apex legends codes apex legends redeem code generator free apex coins reddit 1000 free apex coins apex legends redeem code ps4 free
